1. Family Health Plus Plan

Why this fits:

- Designed specifically for families, including those with multiple dependents (like your 4!).
- Covers both in-patient and out-patient services, family doctor visits, and specialist consultations.
- Includes coverage for emergency care, diagnostics, and prescription drugs.
- Offers family discounts and preventive health incentives, helping you save more as you cover your dependents.

2. Comprehensive Health & Wellness Plan

dental coverage or are planning to expand your family), you can easily add:

- Dental & Vision Add-On
- Maternity & Newborn Care Add-On

Summary:

Both plans are excellent for someone your age with several dependents. The Family Health Plus Plan is a solid, affordable choice for broad family coverage, while the Comprehensive Health & Wellness Plan gives you enhanced wellness benefits and higher coverage limits if you want even greater peace of mind.

Do you have any other questions about these plans or need different recommendations? I'm here to help you every step of the way!
